Low Income Home Energy Assistance Program also known as LIHEAP is now open. LIHEAP can help you keep your home warm and safe during the coldest seasons. You can apply for a cash grant to help pay your heating bill. The amount received is based on your household size, income, and fuel type. The cash grant is a one-time payment. The grant will be sent directly to your utility provider or fuel company to be credited on your bill.

To qualify for LIHEAP in Pennsylvania, you must meet income requirements, which are set based on your household size. Renters and homeowners are eligible for benefits.
You **do not** need to be on another public assistance program or have unpaid heating bills to qualify.

The Pennsylvania Low-Income Home Energy Assistance Program (LIHEAP) opens for the 2026–2027 season on **November 2, 2026, and runs through April 23, 2027**

If you have any questions about the LIHEAP program or need help filling out an application contact the Turtle Creek Senior Center at 412-824-6880
