Senior Center Updates

December 2024

With winter starting on December 21st, inclement weather will likely be in the future. Remember to always exercise caution with bad weather; dress accordingly from head to toe, when removing snow bend your knees and lift with your legs, limit driving, and prepare your house.

If the Turtle Creek Senior Center and/or Swissvale Senior Center would need to close due to weather, a notification will be posted/announced on KDKA-TV/Radio and WPXI-TV. Staff at the center will also do their best to contact everyone by phone to make them aware of the closure. If your phone number has changed or you prefer to be reached at different number, please stop in the office at either center to update.

If you have any questions, please contact Jodi Trovato at 412-824-6880 or send an email to jtrovato@eaas.net

Movie: The Nightmare Before Christmas

The film follows the misadventures of Jack Skellington, Halloweentown's beloved pumpkin king, who has become bored with the same annual routine of frightening people in the "real world." When Jack accidentally stumbles on Christmastown, all bright colors and warm spirits, he gets a new lease on life -- he plots to bring Christmas under his control by kidnapping Santa Claus and taking over the role. But Jack soon discovers even the best-laid plans of mice and skeleton men can go seriously awry.
