Senior Center Updates August 2025

When visiting the Turtle Creek Senior Center in August you will notice that construction has started in two of the main rooms.

Even though construction is going on the Turtle Creek Senior Center will remain open.

No time frame has been given for how long construction will last. Safety is a priority for all participants and staff during this time.

Due to a remodeling at the Swissvale Library, where our Swissvale Senior Center is located, construction is temporarily closing the Swissvale Senior Center until Monday, September 8th 2025.

Transportation can be arranged to the Turtle Creek Senior Center, as well as any County Senior Center. For information call 412-824-6880.
