

Senior Center Updates

October 2026

Medicare's Open Enrollment Period will begin on October 15, 2026 and end on December 7, 2026. During this time, people on Medicare can make changes to their Medicare plans.

From October to December, the Turtle Creek Senior Center will have several Medicare plan providers here to discuss plans that are available for the upcoming year.

A message from our neighbor's at St. Coleman....

“Greetings from the Calvin Anderson Schoolhouse Apartments at St. Colman! We are a new program through the Allegheny County Housing Authority that focuses on supporting individuals aged between 18-24 that are aging out of foster care or have experienced homelessness. Our program strives to support individuals in developing a career path while promoting stability. We look forward to being a part of and developing relationships in the Turtle Creek community.”
